

# Nasco

PROUDLY SERVING EDUCATORS FOR OVER 75 YEARS

In 1941, Nasco got its start by filling a need for teaching aids that were not readily available from any other source. To this day, we are proud to carry on that tradition and serve customers throughout the United States and abroad with the products they need, the quality they expect, and unbeatable customer service, all at prices they appreciate.

*We are your trusted resource —  
equipping you with tools to inspire learning.*

## THE RIGHT PRODUCTS

By hand selecting innovative, relevant products to meet the needs of today's classrooms, Nasco is the trusted authority in helping educators find solutions to address ever-changing requirements.

## THE RIGHT PRICES

We strive to meet the changing needs of our customers, providing quality products at competitive prices. You can save through:

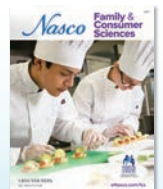

- » Contract discounts for your entire school or district.
- » Competitive bid pricing for larger purchases.
- » Comparison quote shopping – let us do the work of comparing prices and see if we can offer a better total price, saving you time and money.

## WE'RE HERE TO HELP...

Online or off, Nasco is ready to serve you, whether you're placing an order or trying to find a unique item. Call us at 1.800.558.9595, or go to our website at [eNasco.com/fcs](http://eNasco.com/fcs) for 24/7 access to:

- » More items than our print catalog – new products added frequently!
- » Log in to see your specific pricing, share shopping carts, or download right into your purchasing system.
- » Sign up for emails and special offers.
- » Be the first to see new products and get free project ideas.
- » Free FCS Lesson Plans

**ABOUT THE COVER:**  
Special thanks to Watertown, WI FCCLA chapter with our photo shoot.
