

### Checks and Balances

**Gr. 5-8** Go beyond play money and teach real-life personal finance skills! This classroom activity kit is designed to teach the fundamentals of finance to the middle grades with such things as budget planning, exploring payment options, and coordinating income with expenses. Income cards and unplanned expense cards are used in a game format to aid students in simulated real life situations. Kit includes checks and deposit slips with real checkbook covers, plastic credit/debit cards, credit card imprinters, reproducible student worksheets, and a teacher's guide filled with activities. For 30 students. ©1997. Sh. wt. 6 lbs.

**TB17678H — \$134.75**

### Classroom Pack Checks

**Gr. 6+** These realistic check packs give students real-life banking practice. Can be used with various money math programs to help students learn to maintain a checking account. Set includes 30 check registers, 30 vinyl checkbook covers, and 30 check pads.

**Sh. wt. 4.50 lbs.**  
**WA21548H — \$115.25**

### Be Money Wise Bulletin Board Kit

**Gr. 7+** Promote smart money management principles. Colorful kit tackles a number of financial education topics including basics of saving, spending, giving money to charity, protecting credit, and minimizing debt. Includes a variety of information cards (various sizes) and two title header pieces (5½" x 17") all laminated for durability. Designed to fit a 3-ft. x 4-ft. bulletin board. ©2013. Sh. wt. 0.56 lbs.

**WA31928H — \$24.95**

### It's Your Money Poster Set

**Gr. 6+** Build a strong foundation for financial success through the basics of money management. This series of eight posters tackles a number of financial education topics including investing money, balancing a checkbook, managing debt, understanding a paycheck, safe online banking, protecting your credit, personal debt, and types of investments. Each poster is 8½" x 24". Laminated. ©2013. Sh. wt. 0.50 lbs.

**WA31778H — \$49.95**

### Your Checking Account

By Victoria Welsh Reitz.

**Gr. 10+** Students learn the basic concepts, vocabulary, and procedures they need to handle a checking account. The activity text includes helpful spelling charts, a glossary, and samples of correctly filled out forms. In a six-month banking simulation, students write checks, fill out deposit slips, keep check registers, balance checkbooks, and do monthly budgets. 126 pages, 8" x 10". ©2000. Sh. wt. 1.50 lbs.

**WA15776H — \$18.95**

**Teacher Book — Your Checking Account.** Gives suggestions for using the simulation activities, extra reproducible copies of the facsimile bank forms and budget sheets, extension activities, a pretest, a post test, and complete answer keys. 43 pages. Sh. wt. 0.44 lbs.

**WA15777H — \$15.95**

### Financial Literacy

50 Financial Web-Based Activities

By Colleen Angel.

**Gr. 7+** Teach students money-management with these 50 internet-based lessons. Students follow instructions provided to find websites that guide them to answers to the question in each lesson. 107 pages, 8½" x 11". Three-ring binder. ©2009. Sh. wt. 1.50 lbs.

**WA27931H — \$34.95**
