**Brother® ScanNCut II**

The only cutting machine that can take scanned images, photos, or hand-drawn sketches and turn them into unique cutting designs without a computer, software, or pricey cartridges! Create patterns and cut a variety of surfaces and materials for crafting, scrapbooking, paper crafting, sewing, quilting, and more. Even allows sewing guidelines to be drawn in and a seam allowance to be added. Features include a built-in 300 DPI scanner, large 4 7/8" color touchscreen LCD, color scanning recognition, SVG file readability and import, built-in alphabet fonts, and direct connect to computer via USB cable. Wireless ready with optional WLAN activation card. Includes one red and one black pen. Sh. wt. 15 lbs.

**WA33147H — \$379.95**

**Patterns.** Complete your favorite sewing projects with this specially designed collection. All designs are created by Japanese quilter, Suzuko Koseki. Sh. wt. 0.31 lbs.
