NEW

Camwear® Polycarbonate Food Pans

Made from clear, durable polycarbonate that will not crack, bend, or dent. Large radius bottom to reduce food waste. Stack neatly without wedging or sticking. Won't react with food, minimizing potentially hazardous chemical or acidic reaction. Uniform ½" flange ensures a smooth fit in prep tables and food bars. Withstands temperatures from -40° to 210° F (-40° to 99° C). Molded-in graduations in standard and metric for easy inventory management. Nonstick smooth interior surface increases yields and promotes easy cleaning. Textured bottoms resist scratching. All pans are 4" deep. Dishwasher safe. NSF® certified.
