A sure favorite!

USA Pan Nonstick Bakeware

Bakeware designed with features of commercial baking pans. Each pan is constructed of seamless aluminized steel with thicknesses that have been selected to allow even heat distribution and maximize service life. Each pan is coated with AMERICOAT® Plus, a clear, nonstick, environmentally-friendly, silicone coating that ensures an easy release. Oven safe up to 450° F. PFOA free. Metal weight is .028. Hand wash. Do not use with metal utensils. Made in the U.S.A.
