

Cake Pops Kit

Bake the latest craze with this fun cake pop kit that makes it easy to bake and decorate your creations. The two-piece, aluminum pan with locking lid allows the batter to rise up and fill the top half of the pan, creating a rounded ball of cake or brownie. Since the pan bakes the batter directly into a ball, there's no crumbling, mixing with frosting, or messy rolling involved! Kit includes two-piece cake pop pan, three-tier display stand with dome lid, E-Z deco pen, two decorating bags, two couplers, two tips, 100 cake pop sticks, and recipe booklet. Sh. wt. 7 lbs.
