KitchenAid® 8-Qt. Commercial Stand Mixer

A long-lasting, dependable choice for any cooking or baking needs. Robust motor delivers 0.44 horsepower to the bowl enabling the mixer to deliver consistent power to both small and large loads with less heat build-up delivering the power you need. Stainless steel 8-qt. bowl has lift design that raises the bowl into mixing position and provides sturdy support for stability when mixing heavy ingredients or large batches. The lever smoothly raises the mixing bowl into position for efficient beater-to-bowl contact. Includes Powerknead™ spiral dough hook, flat beater, and stainless steel wire whip. Premium 11-wire whip quickly incorporates the needed air into mixtures for smooth, fluffy results. Ten-speed slide control ranges from a fast whip to a slow stir. Two-year manufacturer replacement warranty. Sh. wt. 35 lbs.

KitchenAid® 8-Qt. Commercial Stand Mixer with Bowl Guard

KitchenAid's® most powerful, quietest mixer, the high-efficiency DC motor is designed to run longer and delivers optimum torque with less heat buildup. Easily handles recipes requiring longer mixing, kneading, and whipping times. The all-metal, precise gear design produces a smooth, quiet sound. Large capacity easily mixes recipes with up to 16 cups. Powercore® technology feedback control communicates in micro seconds to the motor to ensure optimal power is delivered to the bowl. Speed control protection reduces the risk of accidentally turning on the mixer when wiping it clean. Stainless steel bowl guard provides added safety to keep things from entering the mix area during operation. Brushed stainless steel bowl with commercial "J" style handle. Includes stainless steel beater, spiral dough hook, and 11-wire elliptical whip. 120V AC, 60 Hz. NSF® certified. Two-year manufacturer's replacement warranty. Sh. wt. 36 lbs.
