

1. West Bend® Hi-Rise™ Bread Maker

The “homemade” setting allows preferences to be set for kneading, rising, baking, and keeping warm. Dual knead blades provide thorough dough kneading for a lighter taste and higher rise. The traditionally shaped, horizontal bread pan can accommodate four different loaf sizes: 1 lb., 1½ lbs., 2 lbs., and 2½ lbs. The 11 digital settings include basic, quick, French, sweet, dough, and homemade setting. The three-level crust control features light, medium, and dark. The delayed start cycle is programmable for up to 12 hours. Includes many delicious recipes. Comes with two knead blades, nonstick bread pan, measuring cup and spoon, and knead blade removal tool. 800 watts. Sh. wt. 20 lbs.

WA28930H — \$128.25

2. Breadman® Bread Maker

Bake breads for small or large groups with ease — makes loaves up to 2 lbs. With eight bread settings and a crust color selector (light, medium, or dark), you can bake bread to meet any taste. Convenient features such as LED display, one-hour keep-warm cycle, 13-hour programmable timer, fast bake function for baking in less than hour, and horizontal bread pan make this bread maker extremely versatile. A viewing window lets you see the baking in progress. 120V, 560 watts. Sh. wt. 14 lbs.
