## Institutional Can Opener

Best known can opener in the world. Favored by chefs everywhere. Design makes knife reversible for double wear. Heavy helix gear prevents slip-page even on bent cans. Opens all size cans. Sh. wt. 6.50 lbs.

**W02078H — \$147.75**

## **NEW** Old Reliable Original Can Opener

Ready to meet even the toughest requirements of today's food service kitchens. With a smooth action base, long wearing spool, and rust resistant arbor, this can opener will last for years to come. Replaceable plastic base insert provides smooth glide action and reduces wear on opener shaft. For cans up to 11" tall. Recommended up to 50 cans per day. Sh. wt. 10 lbs.

**WA34462H — \$170.95**

## 1. OXO® Good Grips Smooth Edge Can Opener

Leave no sharp edges on can or lid. Comfortable side knob provides easy turning. Stainless steel cutting wheel does not touch can contents and stays clean. Button-activated pliers remove can lid. Sh. wt. 0.50 lbs.

**WA27994H — \$22.05**

## 2. OXO® Good Grips Locking Can Opener

Opener features a sharp stainless steel cutting wheel that slices easily through cans and a magnet that lifts lids off for hands-free disposal. A window in the opener top allows you to quickly align the opener to the lip of the can and lets you see slicing progress. The soft, comfortable, nonslip handles feature a locking mechanism to keep them closed while opener is in use, and a simple push of a button releases the lock when finished. Sh. wt. 0.56 lbs.

**WA29375H — \$17.05**

## 3. Oneida® Professional Series Can Opener

Brushed stainless steel for strength and durability. Heavy-duty brushed handles with cushioned ergonomic grip absorbs pressure when opening cans. Soft oversized knob is easy to turn and offers a comfortable nonslip grip. Sharp, powerful cutting mechanism opens cans safely and efficiently. Built-in bottle cap opener. Hand wash only. 8½" L. Sh. wt. 0.75 lbs.

**WA32622H — \$14.95**

## 4. Safety Lid-Lifter Can Opener

This patented can opener safely lifts the lid from the can, leaving no sharp edges on the can or lid. Use the small metal pliers on the right side of the can opener to lift lid from can, eliminating the need to use your fingers! Hand-washing recommended. Sh. wt. 0.44 lbs.

**WA21530H — \$12.95**
