12. Carlisle-Glasteel Monochrome, Steel Reinforced Fiberglass Trays

Spring steel ring around edges eliminates warping, providing great impact-resistance. Five-year replacement guarantee against separation of ring and tray! Air-flo corners allow residual moisture to evaporate from trays when stacked. Exclusive "around the corner design" positively prevents trays from scarring one another. Stacking lugs molded into each corner prevent abrasion and side-to-side movement of trays. 18" x 14". Sh. wt. 1.75 lbs.
