

Irons

Iron soleplate cleaning solutions on page 286.

1.

NEW **1. Maytag® SmartFill® Iron and Steamer**

SpeedHeat™ technology generates enough power to bring the iron to maximum temperature in only 55 seconds. Featuring a removable water tank and stainless steel soleplate. Self-cleaning. 1,500 watts. Sh. wt. 5.50 lbs.

WA34180H — \$72.50

2.

2. Hamilton Beach® Professional Stainless Steel Iron

Vertical steam will quickly smooth clothes. Position-sensitive auto shutoff shuts off in seconds if iron falls, or in 15 minutes if left unattended on its heel. Self-cleaning iron features heavy-duty stainless steel soleplate, anti-drip technology, fine-mist spray, and an extra long cord. 1,500 watts. One-year warranty. Sh. wt. 4.75 lbs.

WA28185H — \$42.95

3.

NEW **3. UltraGlide Iron**

With a durilium soleplate and powerful bursts of steam, your clothes will look fresh every time. Featuring automatic shut-off, extra-large water inlet, vertical steam, and trigger steam boost. Self-cleaning. 1,700 watts. Sh. wt. 2.25 lbs.

WA34188H — \$38.95

4.

4. Hamilton Beach® Durathon™ Iron

Nonstick iron features durable large Durathon™ soleplate. Steam adjusts to a variety of fabrics, and vertical steam allows you to iron hanging garments. Also features three-way auto shutoff, anti-drip technology, comfortable soft touch grip, and pull-out cord wrap. 1,500 watts. Sh. wt. 4 lbs.

WA29266H — \$34.50

5.

5. Hamilton Beach® Durathon® Nonstick Iron

Up to 25% more continuous steam power than other irons. Scratch-resistant iron is up to 10 times more durable than traditional nonstick irons. Features superior glide performance, vertical steam and self-cleaning capability, three-way auto shutoff, anti-drip technology, and extra-long cord. 1,500 watts. 10-year limited soleplate warranty. Sh. wt. 4 lbs.

WA32016H — \$33.95

6.

NEW **6. Optiglide Iron**

Lightweight yet powerful steam iron with ceramic soleplate that makes ironing even easier. Featuring vertical steam for hanging garments, anti-drip system, large water inlet for easy filling, self-cleaning system, and automatic shut-off. 1,500 watts. Sh. wt. 1.50 lbs.

WA34189H — \$29.25

7.

7. Black & Decker® Spray Iron

This 1,200-watt iron has variable steam and smart temp features. Includes an auto-clean function and a spray function for a fine mist to dampen stubborn wrinkles. Lightweight design makes ironing a breeze. 360° pivoting cord. Sh. wt. 2.25 lbs.

WA27423H — \$19.35

8.

8. Proctor-Silex® Lightweight Nonstick Iron

Built for efficiency and powerful enough to steam away the most stubborn wrinkles, making ironing quick and easy every time. Compact and lightweight. Features 8" nonstick soleplate, adjustable steam, spray, burst of steam, vertical steam, auto shutoff, and viewable reservoir. 1,200 watts. UL and CSA approved. Sh. wt. 2.75 lbs.

WA32183H — \$19.95

9.

9. Proctor-Silex® Iron

Nonstick soleplate makes ironing a breeze. Features adjustable steam output (spray/blast) and vertical steam for ironing hanging garments. Automatic shutoff for safety. Convenient cord wrap storage makes storing easier. 1,200 watts. Sh. wt. 2.75 lbs.

WA31717H — \$19.50

10.

10. Proctor-Silex® Nonstick Iron

Nonstick soleplate glides easily over clothes for fast, effective ironing. Includes adjustable (spray/blast) steam and vertical steam to remove wrinkles from all types of projects. 1,200 watts. Sh. wt. 1.50 lbs.

WA31927H — \$14.50

11.

11. Proctor-Silex® Lightweight Nonstick Iron

The nonstick soleplate and adjustable steam setting make your ironing snag- and wrinkle-free. Also features a temperature control dial and an on-off indicator light. 1,200 watts. Sh. wt. 2.25 lbs.

WA30033H — \$13.95
