1. Rowenta® Pro Master Iron with Auto Shut-Off – DW8080

Scratch-resistant, Microsteam 400 stainless steel soleplate with precision tip offers advanced steam distribution and professional results, plus the highly polished stainless steel provides a smooth surface with excellent glide. Variable steam and extra-long burst of steam performance simply melts wrinkles away. Full comfort handle with a nonslip grip. Anti-slip frame for extra stability when on its heel. Self-cleaning feature removes loose mineral deposits/impurities and an integrated anti-scale system removes impurities for clean steam. Vertical steam allows iron to be used to remove wrinkles from drapes and hanging garments. Ergonomic, soft-touch buttons. Extra-large water tank with 12.7-oz. capacity. For added safety, a three-way auto shut-off turns the iron off in eight minutes if vertical, and 30 seconds if horizontal or tipped over. Extra-long, 7-ft. power cord. 110V AC, 1,750 watts. Sh. wt. 4.50 lbs.

WA14596H – \$114.50

2. Rowenta® Pro Master Iron without Auto Shut-Off – DW8090. Same as WA14596H above, but does not have the auto shut-off feature. 1,700 watts. Sh. wt. 4.50 lbs.

WA32546H – \$114.95

NEW

3. Rowenta® Everlast Iron

Microsteam stainless steel soleplate has 400 microholes for perfect steam distribution. Sharp precision tip reaches difficult areas like collars, seams, and around buttons. Works with tap water; no need for distilled water. Vertical steam is ideal for curtains or hanging garments. Auto shutoff stops power after eight minutes if left vertical, after 30 seconds if left horizontal or tipped over. Self-cleaning system. 1,750 watts. Sh. wt. 5 lbs.

WA34187H – \$184.50

NEW

4. Rowenta® SteamCare Iron

Sleek contemporary design. Microsteam300 soleplate with 300 fully activated micro steam holes ensure even and optimal distribution of steam into the fabric. Precision tip for those difficult-to-reach areas. Auto-steam and steam burst can be adapted to all ironing needs. 20 minutes of uninterrupted steaming with an 8.45-oz. water tank. Automatic shut-off. 1,700 watts. Sh. wt. 4 lbs.

WA34183H – \$84.50

5. Rowenta® Focus Iron with Auto Off – DW508003

The highly polished, stainless steel, 400-hole microsteam soleplate delivers perfect steam distribution, and the precision tip provides a concentrated burst of steam to remove hard-to-reach wrinkles from a variety of fabrics. Transparent water tank with graduated lines for precise water indication. Features vertical steam for upright ironing, comfort handle, and self-cleaning system. Includes an automatic shut off as a safety feature. 1,700 watts. UL listed. One-year manufacturer's warranty. Sh. wt. 4.50 lbs.

WA29469H – \$99.50

6. DW2090 – Non-Auto Off. Crystal tank includes an ergonomic thermostat knob with a precise reading of the settings. Sh. wt. 4.50 lbs.

WA32547H – \$94.95

7. Rowenta® Access Steam Iron – DW2171

Stainless steel soleplate has 300 microholes for perfect steam distribution; auto-steam thermostat determines the appropriate temperature and amount of steam for fabric. Features self-cleaning system, anti-calc system to remove impurities, anti-drip to prevent leakage from the 8½ oz. water tank, and auto-shutoff after eight minutes if left vertical or 30 seconds if left horizontal or tipped over. Precision tip can reach difficult areas like collars, seams, and around buttons. Vertical steam is perfect for hanging fabrics. 1,600 watts. Sh. wt. 3.75 lbs.

WA33198H – \$59.95

8. Rowenta® Steam Cord Reel Iron – DW2191. Also features an automatic cord reel system allowing the cord length to be adjusted as needed; cord retracts completely for easy storage. 1,500 watts. Sh. wt. 4 lbs.

WA33199H – \$69.95

Rowenta® Garment Steamer – IS6200

Ideal for steaming garments and furnishings around the home. Ergonomic design includes a suitcase inspired “tilt and roll” feature with two large back wheels, foot-operated pedals for power, and a sturdy aluminum telescopic pole that pushes down for compact storage. For more convenient steaming, the built-in hanger holds your garment in place with hanger hooks. An extra-large removable transparent water tank holds 81 oz. of regular tap water for one hour of continuous steam. Quick heat-up time of 60 seconds. The soft-touch, stay-cool handle and fabric hose provide added comfort. Hose is made of a sturdy, long-lasting EPDM rubber. Accessories include crease attachment, fabric brush and lint pad. 1,500 watts. Sh. wt. 17 lbs.

WA29886H – \$109.95

Rowenta® X-Cel Handheld Steamer

Heats in 45 seconds. Light indicates when device is ready to use; steam head features multiple holes for even distribution, with constant steam and steam burst option at 22 g/min. Removable 6¾ oz. water tank allows up to 10 minutes of uninterrupted steaming. Includes fabric brush, lint pad, and steam bonnet. 1,500 watts. Sh. wt. 4.25 lbs.

WA33200H – \$79.95
