Please Specify: CATALOG ITEM NUMBER, QUANTITY, PAGE NO., PRODUCT DESCRIPTION, SHIPPING WEIGHT, SIZE, and COLOR if applicable. When stating "quantity" please conform to our unit packing. Example: If our catalog states "set of 3," order 1 set (not 3). If goods are quoted "per doz.," order 1 doz. (not 12).

We will furnish quotations to schools, institutions, groups, and individuals for supplies or any given item in large amounts upon request. All of our customers are entitled to current prices and discounts.

Please use blue or black ink only.

Catalog Item Number	Quantity	Page No.	Product Description	Size/Color	Price	Total		Sh. wt. Lbs.
						Dollar	Cents	

Indicates additional shipping charges apply. Contact Nasco for accurate pricing.

Number of items classified Hazardous, multiplied by \$12.00 (FedEx® surcharge). See page 318 for instructions.

Please add freight charges to your order. California, New Jersey, Pennsylvania, Washington, and Wisconsin residents add sales tax where applicable.

- Reasonable substitutions acceptable.
- No substitutions please.

"Choking Hazard" Label Information

To comply with the federal government's new/ revised rule, 16 CFR Part 1500 & Labeling Requirement for Toy and Game Advertisements, Nasco is required to prominently display the appropriate "Choking Hazard" warning for products, whenever necessary.

Any toy or game that requires a cautionary statement about the choking hazard associated with small parts, balloons, small balls, or marbles must bear that cautionary statement in the product's description.

Listed to the right is a key with complete explanations for each of the numbered "Choking Hazard" labels. Please refer to the information in the boxes below whenever you encounter one of the following icons in a product description: Δ1, Δ2, Δ3, Δ4, Δ5, and Δ6.
