## **Nasco Healthcare Quality Management System Becomes ISO 9001:2015 Certified**

Nasco Healthcare in Fort Atkinson, Wisconsin has achieved ISO 9001:2015 certification of its quality management system. In addition to more than 45 years of satisfying customers, Nasco Healthcare adds this invaluable accreditation to the list of their credentials. The ISO family of standards embodies an international consensus on good quality management practices and consists of guidelines relating to quality management systems.

ISO 9001:2015 provides a framework for taking a systematic approach to managing the organization's processes to consistently exceed customers' expectations through continuous improvement.

Nasco Healthcare manufactures realistic, anatomically correct Life/form® and Simulaids medical training simulators and food replicas, CPR Prompt® CPR training manikins and accessories, Ready-or -Not-Tot® parenting simulator manikins, and numerous other products to furnish hospitals, schools, and other health care learning institutions with necessary educational aids.

For information concerning the Nasco Healthcare quality management system ISO certification, contact Marc Sawyer, Nasco Healthcare Quality Assurance Coordinator, at [msawyer@eNasco.com](mailto:msawyer@eNasco.com).
