

6.5 PLANT GROWTH

Consider the list below as a “Teacher’s Shopping List.” This list contains the physical materials that must be acquired to complete the unit’s lesson activities.

Components included in the kit come in quantities you will need for one class assuming a class of 30 students (4 students per group unless described differently in the Mi-STAR™ lesson.) Materials marked "per classroom" can be shared between sessions.

KI04492(CB) - Consumable/Non-Consumable Kit
